**I understand that I am an independent contractor at the Learning Curve**

- The times, dates, and frequency of classes at the Learning Curve are those that I choose
- While materials are available for all tutors at the center, it is my sole decision concerning methods, material, and process that I use (except for reading programs: Reading Mastery and Barton/Orton-Gillingham)
- I will receive a 1099 for tax purposes at the end of the year
- I may accept or decline working as a tutor at any time
- Each tutor will use his/her own professional judgment regarding the best practices for students keeping in mind the safety and respect for other tutors and students

In addition, I understand that when I tutor a student at this facility, it is unethical to tutor that student independently at any other location, including but not limited to the student's home, school, library, etc without the Learning Curve owner's permission.
